

Lake Doster Men's Golf Association Tuesday League--- REV:3/10/2013

Eligibility: You must be a member of the LDMGA. League dues are \$20 in addition to the regular LDMGA dues.

Schedule: The League will be played in 2 halves, 7 weeks in the first half and 7 weeks in the second half. The first League day will be May 7th. There will be no league play on June 25 and July 2. The second half starts on July 9. The last league day will be August 19.

Tee Times: Tee times will be blocked out for League Play between 4:00 and 6:00 pm. All members who wish to play before 4:00 pm must arrange their own tee times. The golf club management retains the right to schedule outside play on Tuesday before 4:00 pm. The league "nine" must be the first time that nine is played by a member on that day. Rain outs shall be determined by the pro shop based on 4:00 pm and later weather conditions.

Format: Individual using the net Stableford System. Play will be at full handicap following the Stableford Competitions rules as detailed by Rule 32-1b in the USGA "the Rules of Golf" booklet. The LDMGA has placed a special limit on Stableford points allowed for any individual to not exceed 23 points on any given league day. Point totals of 23 and higher will be considered as ties. Stableford points will be awarded for each holes net score versus par:

Double Bogey & higher	0	Bogey	1
Par	2	Birdie	3
Eagle	4	Double Eagle	5

Play will be from the white tee markers except that members who are 70 years or older may choose to play from the gold (Senior) tees. Those who choose to play from the gold tees must subtract 3 strokes from their 18 hole gold tee handicap. Handicap strokes are allocated according to the hole-by-hole handicap on the scorecard. The hole-by-hole handicaps for the gold tees are different than those for the white tees. For this reason we will provide a special gold tee Stableford scorecard for league play.

Prizes: Prizes will be awarded for the weekly winners. Winners of each half will be determined by totaling a maximum of 5 scores for the seven weeks. The overall winners will be determined by totaling each participants first half score and their second half score (maximum of 5 scores for each half).
