

# LDMGA Tee to Green

Volume 21, Issue #4

June/July, 2013

## YOUR PRESIDENT'S MESSAGE

Gentleman:

The board often gets questions about why and how we make decisions, and almost always we refer back to our Constitution or Information Manual to derive the answers or guidance. Both are a wealth of information that is useful for all members. I again encourage all of you to obtain Info Manual copies (at the handicap computer) and read them. In addition, it's critical that all Board Members do this as well, or potential future Board Members. To further our compliance with the USGA Handicap system, three Board Members will be attending a Handicap Certification seminar later this month. It is required by the USGA that at least one member be certified for our Handicap system to be valid. The certification is good for three years.

Sincerely,

*Dave Fortune*

## NO HOLES IN ONE?
