### Saturday Event Tips

1. Decide on the event format. It might be useful to get a partner to help with the event.
2. Post a sign up sheet two weeks ahead of the event. Sign up sheets are in the cabinet under the computer. Saturday events typically charge \$10 per man.
3. Thursday evening before the event make the pairings and give the list to the pro shop so they can schedule tee times. It can be helpful if you put names and handicaps on scorecards. The pro shop has a list of current handicaps. If there is not a correct number for even teams leave space for late sign ups. The pro shop will assist with late calls. If your event has special rules, make up a sheet describing the rules which can be put in the pro shop on Saturday.
4. Put yourself on a team that tees off early.
5. On Saturday, get to the course early so you can check for late sign-ups and arrange for incomplete teams to get a blind draw if the event permits. The pro shop will handle sign in and money for the event.
6. After the round check cards for accuracy and assist the pro shop in posting scores.
7. Declare the winners and payouts in accordance with the recommended payout sheet. (attached)
8. Fill out the Golf Event Report (attached). Give a copy to the pro shop so they can fill out gift certificates for the winners. Also give a copy to the Saturday Event Chair and the newsletter. These copies may be left in the mail box next to the computer.
9. Fill out the Kalamazoo Gazette fax report. (attached) Ask the pro shop to fax it to the Gazette.
